

Explore Polk County and Surrounding Waterways

Specializing in private guided tours of your Central Florida community and beyond!

Leave your stress and bring your spirit of adventure as we explore the local lush lakes, nearby crystal spring rivers, open coastal waters, historical cypress swamps, and white sandy island beaches ~ all from the very special and unique vantage of a kayak.

You haven't seen Florida until you've seen it from a kayak!

No experience necessary
(but this is not an instruction course)

Kayaking is a sport that's easy to enjoy the first time out
(you don't need days of lessons to get started)

Get up-close to the wildlife and flora where most boats can't go
(yes, there will be gators, but we're not on the menu)

Tour days are Saturday and Sunday of each week

Reservations must be made at least 7 days in advance – call or visit our website for details & availability

www.havekayakwillpaddle.com • (863) 686-1820

Prices include kayak, personal floatation device, and paddle – minimum 3-hour tour
(slight savings if you bring your own kayak and gear)
